

Certificate of Compliance Buy American Act

January, 2012

Dear Valued Customer,

SPG products manufactured in the USA meet the guidelines established under the Buy American Act (1933) and the North American Free Trade Agreement. We offer several product lines under the SPG brand, built by hundreds of U.S. workers, including; Kelmax, Universal Stainless, ISS, AMCO, Freestyle and Gillis-Jarke.

SPG is a proud American manufacturer that believes in the on-going success of our great nation and its people. Through education, diversity and individual empowerment we support and sponsor the communities in which we live and work. And, with 7 offices across North America, Europe and China, we acknowledge our role as a business citizen of the world.

Our goal is to be a company you are proud to do business with. And, we will continue to work hard every day to keep your trust.

On behalf of everyone in the SPG family, thank you for your business.
