SFG

STORAGE PRODUCTS GROUP

Get more from the equipment you need and the company that makes it.

No matter what material you move and store — or how much — you'll find SPG has all the right answers with products that handle more items, more efficiently and more economically.

From racks, platforms and protective rail systems to ladders, carts and shelving, SPG provides you with a single, reliable source for material handling solutions. Each piece of equipment we make is the product of innovative design, heavy duty construction, and an uncompromising commitment to quality. Together, they represent the most comprehensive line of material handling products available anywhere.

Heavy Duty Wire Shelving

Standard Duty Wire Shelving

EXPECT MORE WITH SPG

EXPECT MORE WITH SPG

Ensuring that the quality of your experience is as great as the quality of our products.

Expect more from SPG. It's more than a promise to our customers, it's the principle around which we've built our business and that guides every action and decision we make. It's a performance standard only made possible by:

- ❑ *A highly experienced and empowered workforce*
- ❑ *Knowledgeable sales reps who take a consultative solutions-oriented approach to fulfilling customer needs*
- ❑ *Strategically located manufacturing and distribution facilities to ensure fast, economical delivery*
- ❑ *The most extensive selection of material handling solutions available from a single source*
- ❑ *Customer-focused programs like SPG's "QUICK SHIP" that provides shipping of key items within 72 hours*

These are advantages that distinguish SPG from our competitors, and why you can expect more from SPG.
